REMOVAL.

The Farmer office has been removed to Fire's factors? new building, one door west of the Empire House,

The growing crops in this county look remarkably well and promise an abundant yield. The 8 feet, and then there was as much under water prospects for fruit are very flattering.

***** Cow Lost. A red and white cow belonging to Sheriff Net. strayed away a few days ago. Such information as will lead to her recovery will be liberally re-

warded. The Woot Trade. From present appearances, the wool trade will the be lively this season. We think our wool grow-

ers will receive a much better price for their clip than they did last season. Hon. D. S. Uht. Representative Um. will be home from the

Legislature to morrow. He has steadily voted against all the swindling and fanatical schemes of the Republican majority. We are rejoiced that his vote was recorded against a session next winter.

We wish him a pleasant time, and hope his mission may prove profitable to himself and also to the gallant boys of the 16th.

The Law Vindicated. A young man was brought before Mayor Reed, on Tuesday, and fined 25 cents, the amount fixed by law for profane swearing. Such a heavy penalty for this offence shows the high regard our LIAMS. law-makers have for the majesty of heaven. A few days ago a judgment of \$500 was rendered against a white man in Lorain county for slandering a gentleman of color. This shows the high appreciation in which the law holds the negroes.
